## Bolton-on-Swale St Mary's CE Primary School - Celebrating our Inspection Success

We are delighted with the excellent outcome of our recent Ofsted and Church School inspections. Both Inspectors were impressed with the warm, family atmosphere, the politeness, behaviour and care for one another which our children so readily show.

We were one of the first schools in the country to be inspected under the new and very rigorous Ofsted Framework which gave us a 'Good' judgement in all key areas and identified several outstanding features. Our Church School Inspection report graded us 'Outstanding' and states:

'Bolton-on-Swale School provides children with a caring and nurturing environment where the development of every individual child is a priority. The school is justly proud of its Christian foundation and this is in evidence throughout all areas of school life. The distinctiveness and effectiveness of Bolton-on-Swale as a Church of England School is outstanding.'

We were also pleased to see our enjoyment and achievement in sport, music, arts and environmental activities recognised.

Our Ofsted inspector wrote in his letter to pupils:

'Thank you for making me so welcome when I inspected your school. I particularly enjoyed your singing and music-making, and talking to you about your work. I was impressed by your politeness and the care you show for one another so that you behave well and feel safe.

You told me that you look forward to coming to school because you like your teachers, your lessons and after-school clubs and visits. Your parents and carers like the school very much.'

Bolton-on-Swale St Mary's serves children from the village of Scorton and the surrounding area. Visits to school by prospective parents and children are always welcome.

Nicola Dobson Headteacher.     Edward Turner, Chair of Governors
